

Hamilton Amateur Radio Club

**SINCE
1932**

Information for Not For Profit Organizations:

Date: January 14, 2024

Overview from Ontario Business Registry as of October 19, 2021

Step 1:

Not-for-profit corporations can use the new registry to complete transactions with the government simply and quickly. The launch of the new registry also brings into force the Not-for-profit Corporations Act, 2010, a modern legislative framework for the not-for-profit sector.

The vote to accept the actions required in Step 1 will take place at the AGM on February 22, 2024.

Step2:

This Step follows the acceptance of Step 1 to make the necessary changes to customize the additions to these bylaws to meet the requirements of the legislation.

These customized additions will determine the operations of our Club.

These additions can be changed in the future by an action of the Present Day Board of Directors.

Note:

A complete downloadable revision to our bylaws is included in the following link. More information supplied by John VA3JHD and Rick VA3WWV is presented below by clicking the banner. Much work went into this project. We thank them for their time and energy in the preparation.

The banner has a black background with an orange border. On the left is the Hamilton Amateur Radio Club logo. To its right is a yellow starburst with the word 'NEW!' in black. The main text 'CLUB BYLAW' is in large, bold, yellow letters with a red outline. Below this, three bullet points are listed in white text: '* Required by our club', '* Complies with Not For Profit', and '* Approved by club executive'. On the right side of the banner is a red arrow pointing left with the text 'CLICK HERE' inside it.

Click above for the recently accepted change to our bylaws by the executive.

Thank you for your time
