President's Message

Happy September HARC members! I hope everyone had a wonderful summer season.

I would like to start by thanking everyone who made our club BBQ a success. Those who brought food and those who cooked it and for everyone who came out. It was well attended by members and their partners and was full of delicious food and great company. We even made a few contacts thanks to VE3QYV Christian.

As fall is fast approaching, we are getting back into the swing of things at HARC. Our members meeting is coming up next Thursday September 26th and will be followed up with our annual Hamfest on September 28th.

Speaking of the Hamfest, we still have a few tables available. It's a great opportunity to clear out your unused gear and make a few dollars. Contact Barry VE3ISX for a table. They are going fast.

Don't forget to join us at our weekly nets on our VHF/UHF repeaters followed up with our HF net on 40 meters. We look forward to seeing everyone this fall.
