President's Message

As summer winds to an end and our fall season begins, there is still lots to look forward to at HARC. Our yearly hamfest, Canada's largest indoor hamfest, will be taking place on September 27th at the Ancaster fairgrounds. As a member of HARC, your membership entitles you to free admission to the event. We still have a few tables left so, if you are interested, contact Barry VE3ISX@gmail.com for more details. We could use some volunteers to help us setup on Friday and tear down on Saturday after the event. Let us know if you can help.

Our next general members meeting is taking place September 25th at our usual location at St. Pauls church. We will be holding our annual "Build a Thing" contest where members will vote on their favorite thing that people built over the summer. A prize will be awarded for the popular vote.

President's Message

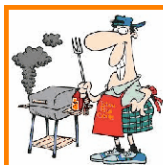

Finally, if you haven't already, please don't forget to renew your membership to HARC. Our membership year runs September 1st through August 31st. If you renew before September, you will be put in a draw for a free membership for the 2026/2027 member year.

I would like to thank everyone who has already renewed. Your continued support keeps us going. I look forward to seeing you all at the member meeting and Hamfest. It's going to be a great time.

Regards

73

VE3XLQ Peter Hammerl,
President and Chair
