

Hamilton Amateur Radio Club SINCE 1932

## 26<sup>th</sup> June 2024 Membership update:

**Hamilton Amateur Radio Club** SINCE 1932

## **From Jeff Beattie: Ward 10 Hamilton**

Spent a fascinating afternoon at the Winona Rifle Range with members of the Hamilton Amateur Radio Club and military personnel from the Royal Canadian Corps of Signals for their annual Field Day.

Club Members from Stoney Creek & Hamilton will be on site for a 24 hour marathon, communicating with other radio operators from around the world. I heard stories from club members communicating with operators from far away as the Indian Ocean and New Zealand - and even had the chance to chat with an operator in Connecticut.

If the communication grid ever goes down (or, let's say there's a cyber-attack somewhere 🤖) these volunteers and service personnel will keep the lines of communication open, and can even send data files over the airwaves. Many thanks to Ward 10 Resident, and longtime Fruitland Community Advocate, Cal (VA3CDV) for the invite!

## **Enter to win: Free Membership**

**Win a free membership for a year by renewing your membership, or by joining the Hamilton Amateur Radio Club now. We have extended the membership for any new Members that join the Club at this time. Renewals as well as new members will be entered in a draw, to be held at our initial meeting of the 2024-2025 year in September. The winner of the draw will get a free membership.**

### **Note:**

**We have had a number of members renewing recently. Thank you for your support as we move forward. Please take time to refresh your membership application form (on line) with current address, phone and RAC membership number if applicable. Your E-Trans is the best way to pay to treasurer@hamiltonarc.com.**
