President's Message

Happy November HARC members!

This past October, HARC held its first Annual Meeting under our new ONCA compliant bylaws. While the meeting was full of mostly legal club administrative motions, the highlight of the meeting was electing the new board of directors for the 2024 / 2025 membership year. I would like to give a huge thank you to everyone who stepped up and ran to be a director. It's involvement like this that keeps a club moving forward.

Upcoming for November is our club Exec meeting on November 14th @ 7:00 PM on Teams, our Monthly Club Breakfast on November 16th @ 9AM at Denny's on Centennial in Stoney Creek, and our monthly Club Member Meeting on November 28th, 7:30pm at St Pauls United Church. If you have any topics you would like presented for the monthly meeting or have a topic you would like to present, please reach out to me. Finally, its that time of year again. Our club Christmas Dinner is fast approaching and will be held on December 8th, 2024 at the Royal Hamilton Yacht Club. Check your inboxes in the upcoming weeks for details.

As always, don't forget to join us at our weekly nets on our VHF/UHF repeaters followed up with our HF net on 40 meters. We look forward to seeing everyone.

Lastly, I would also like to give a huge thanks to our outgoing president Murray VE3ZPV and to Barry VE3ISX and Rick VE3BK for everything they have done to keep the club operational the past few years during its transition. The club would not be where it is without their hard work and dedication.

Thanks for your time.
