Hamilton Amateur Radio Club
General Meeting

The Hamilton Amateur Radio Club met at Nash Auditorium March 16th, 1994. The meeting was opened by the President Dave Bruton, VE3DWJ at 8:10p.m.

The speaker for the meeting Ron Wheeler from Industry Canada, Spectrum and Telecommunications. Ron gave a very informative talk on the TRC86 draft. This draft contains new regulations to help resolve community type interference involving radio transmitting receiving devices and all other electronic equipment. This draft should be Gazetted possibly as soon as June/94. All the measurements are available from the TRC86. Most cases will require on site measurements until the department becomes more familiar with them and is then able to deal even more fairly with the general public and amateurs. There is no indication that amateurs are always the guilty party. Ron was asked a variety of questions ranging from touch-lamps to ingress and egress regarding TV channels. Europe has embarked on guide lines for equipment imported into the E.C.M. from all countries to stop dumping of substandard merchandise.

The speaker was thanked by Aire VA3ART and presented with a token of our appreciation. Coffee was at 9:30P.M.

Bob VE3ANW came to speak about Canwarn and brought with him a representative from the Hamilton weather office. Tim Reed mentioned how pleased they were to have the co-operation of the local amateurs.

Paul Coppin VE3PFT reports the around the Bay race preparations are going well. More participants are welcome. As it is the 100th Anniversary the club has a special events station operating from the Red Cross station using the call CF3R. QSL card and possible a certificate will be sent to participants.

The tour to the observatory is this Monday 21 March/94 Pictures from the 160 meter contest were available for all to see. Coffee break at 9.00p.m. Mary did a yeoman's job with the refreshments at this meeting also.

OLD BUSINESS

After the break the minutes of the last meeting Dave asked if the minutes as written in the bulletin would be accepted. Motion to accept Bernie VE3EKY seconded Joe VE3OCD, membership voted and passed the motion. Treasures report read by the treasure Joe VE3OCD. The club now has \$4,730.00 total from bank balance and petty cash. Motion to accept Arie VA3ART, seconded by Mike VE3AHQ accepted by the membership.

NEW BUSINESS

Ron Wheeler did not accept the gratuity from the club and has asked that the club use it to purchase a new 40 meter antenna. Thanks Ron.

THE PRESIDENT'S MESSAGE FOR APRIL

I wish to thank you all those amateurs who helped out in The Around The Bay Race. It was a great day for the record numbers of runners (3000+). Members in our group helped set up water stations, and stayed behind to clean up.

To those who went beyond the call of duty, the Hamilton Amateur Radio Club thanks you.

The number of meetings left in this season are few. Please take note that The Red Shield Campaign, Homebrew Night in May and Field day in June are still coming up as planned.

Do not forget June is the month for running for executive to serve on next year's board. Please consider running for office. Remember a short biography of yourself and seconder in writing is required. Contact your Nominating Chairperson for additional information.

73"s President VE3DWJ

REPEATER CODE UPDATE

On April 21, 1994 the day after the General Meeting of the Hamilton Amateur Club the codes for VE3NCF will be changed. Your membership to the Hamilton Amateur Radio Club gives you privileges not offered to other non members. These new codes are for your confidential use only. They are not freely given out. The changes were warranted to reduce unwanted phone patches, stop interference with other amateur linking systems..

Please do not give codes out verbally on the air, in person to anyone, do not copy in any mechanical way, no packets, no bbs, nor faxes allowed. Please guard them diligently. Only members will receive these codes.

Oh Yes, do help non members to complete phone patches, emergencies etc., May these new codes be helpful in your use of VE3NCF Repeater. If any questions, suggestions on use of the repeater, please contact your executive.

73"s President VE3DWJ
David

- 3 - HAS TO BE SMALLER THAN ARGONAUT [[NO HW7 PLEASE]]
- 3 - TRANSMIT \ RECEIVE COILED TELEGRAPH RAIL STRAIGHT KEY WANTED

TRIBUTE TO A NATIVE SON

A Canadian strong, and fleet of foot,
Of Indian birth was he.
Of all the runners, he the best,
For many years to be.

The local sports, a test arranged
Each year for all to see.
This strong young man, a Six Nations man
A Gallant buck was he.

A different name - a Six Nation name.
A history of the past.
The likes of him, might never be,
And many moons have passed.

On with a race - the final test,
Of beast and man - which one the best.
A horse they said - for man instead,
And to the race, a horse was led.

There were wagers made, and the bets were laid,
Just what the outcome be.
Neither man nor steed, paid them no heed.
At this stage - none could see.

The race began, and off they went,
Which one would win, this strange event.
Around Beach Strip - The horse ahead,
This not so strange, to one well read.

Down Valley Inn road,
On past the Inn,
On past La Salle, along the ridge,
And just this, High Level Bridge.

Past Dundurn Park, and down York Street,
The horse we see, with flying feet.
No greater challenge, a man to test,
A few more strides, they are abreast.

Beast or human, now which the best,
Our native son, withstood the test.
Great crowds there were, the streets were lined,
And they saw the horse, left far behind.

The race was won, by our native son.
His fame spread far and wide.
And when at last, his time had passed,
He crossed the Great Divide.

His plaque still stands, on Indian lands,
Close by The Council Hall.
The greatest runner of his time,
The greatest of them all.

And more than this, there still exists,
A crossroads bears his name.
It's there to serve, the Indian Reserve.
To forever prove his fame.

Now, who will replace - great one of his race,
No one - Its plain to see.
The wind still blows - The Grand River flows,
But no runner, such as he.

Great Tom Longboat will ever live,
A native son for true,
And in these words, we've said of him,
They are only - his just due.

O nenh geh wah hih, has been said,
It means "good bye" to you,
But to some it means, - have pleasant dreams,
with Gitchi Manitou.

(Thanks to VE30KA for the researching this article.)

SAFETY

The membership would like a report regarding the digital repeater. It will be discussed at the executive meeting and decision will be made. Dave reports that Don VE3DGG has resigned due to personal commitments and Arie, last years membership chairman, has agreed to take the position.

Discussion of Article 11 resulted in the membership wanting to amend the proposal and have it re presented to the membership adding the President and 1st Vice president hold full privilege licences, and be elected specifically for those positions. This will be amended and be published in the next club bulletin. A vote for adopting the change to be May or June/94 This needs two thirds of the membership to pass.

Motion to adjourn the meeting by Joe VE3OCD seconded by Mike VE3AHQ.

NOTICE

At the last Executive meeting it was decided that the following Bylaw change be published in the bulletin, discussed at next the General meeting in April and acted upon.

Amendment to Bylaws

Article 11. Officers of the Club

The Board of Directors shall consist of six members. The positions of President and 1st Vice-President, be elected to the Executive separately by the membership. To be eligible the candidates must hold at least the highest Amateur certification level or equivalent. The Board of Directors at its first meeting after election in each year, select from the remaining four elected members an Executive, consisting of a second Vice-President, Treasurer, Secretary, and Membership Secretary, and the ex-officio member shall automatically take the office known as Past President. The employment of all officers shall be settled from time-to-time by the Board. The President may succeed himself only once. The President and Vice-President must have held an Executive position in the Club for at least one term.

Proposed by Mike Spenuk, VA3SP. Motion to accept by VE3WVC, Bill Court, seconded by Lorraine VA3NZ and vote carried by the Executive.

THE HAMILTON AMATEUR RADIO CLUB

P.O. BOX 91215, Effort Square Postal Outlet, Hamilton, Ont. L8N 4G4

Club Meetings: Meetings are held the third Wednesday of each month except July and August at the Nash Auditorium, Chedoke Hospital. Time 8.00 pm. Non members and friends are welcome, coffee and donuts on the house.

Executive meetings: The Board of Directors meets at 7.30 pm on the fourth Wednesday of each month except July and August in the Radio Room, Red Cross Building, 400 King St. E. Members are encouraged to attend.

Club station: The HARC maintains an emergency radio room in the Red Cross building, 400 King St. E.

Membership: Membership costs \$25.00 per club year, 1 September to 31 August. Additional family members {no bulletin} are 1.00 per year.

Education & license testing: Amateur radio license are conducted. License testing through the club is performed on the second Tuesday by appointment. Contact the appropriate person listed on the front cover. Just testee and testor to be present at the time of testing.

Repeater: VE3NCF 146.760 MHz {input -600}, located on the Hamilton escarpment is available for use by all amateurs. Special features {mail box, link info} are privileges of membership. Part of the VE3RPT link system. Contact the executive for codes.

Field Day: The HARC operates a multi station site during the Field Day. Contact the coordinator on the front page for information.

Swap Net: A swap net is held on VE3NCF every Tuesday night at 8.00 pm except during the summer. The buy and sell listings are also available on the club packet BBS VE3DC operated by VE3JSJ on 145.590 or via modem 575-4745.

Fleamarket: A fleamarket is held during September each year, usually at the Ancaster Fairground. Date will be announced in future bulletins.

Bulletin: The Hamilton Amateur, the official news bulletin of the Club is published ten times a year and sent to all members {families share a bulletin}.

Crests: Anyone wanting a Club Crest or a Club Certificate see membership chairperson listed on the front cover.
