Order of the Gavel CW Operating Award Competition

Purpose: To promote the art of CW operating within the club. HARC members are to contact as many other amateurs as possible. All CW contacts with fixed or mobile licensed amateur radio stations around the world count.

Rules:

1. The competition runs annually from January 1 to December 31 and is open to all HARC members except previous trophy winners.
2. Valid contacts include all CW QSO's in which RST, name and QTH are exchanged. Contest type QSO.s are not valid unless they contain this information.
3. Contacts may take place on any band that you are authorized to use.
4. Points:
 - a) contacts made using less than 10 watts input power,
W/VE QSO's count 5 points each;
DX QSO,s count 25 points each.
 - b) contacts made using less than 200 watts input power'
W/VE QSO,s count 2 points each;
DX QSO,s count 4 points each.
 - c) contacts made using 200 watts or more input power, -
all QSO,s count 1 point each.Total points equals the sum of above.
5. Experience equalizer: In order to give newly code qualified Hams an advantage over the high speed experienced Hams, the following adjustment is applied to the above final point tally:
A Ham qualified for three years or more will subtract 25% from his score.
A Ham qualified for under three years but more than two will subtract 15% from his score.
A Ham qualified for two years will subtract 10% from his score.
A ham qualified for 1 year or less will use total score above.
6. **Deadline:** A summary sheet must be mailed in to HARC not later than March 30
7. The trophy will be awarded to the highest scoring station at the April meeting.

Presidents Report.

February proved to be busy a month. Dave VE3DWJ successfully had the trophies tracked down engraved and ready for the last meeting. Along with the appropriate certificates they were presented at the meeting. We have now caught up with the awards thanks to Dave. Along with them, great coffee and cookies that Mary brings to the meetings. Heather (Jeff VE3NVY's girlfriends) sent an abundant supply of cookies and muffins. Thanks to Heather for pitching in.

I am going have a firm date for a trip to H.M.C.S. Haida in Toronto by the next meeting. This will probably be a day time weekend trip, the radio room is more likely to be open then. If anyone has ideas regarding places of interest for trips please let the executive know.

Bill Court VE3WVC is working on fleamarket arrangements and will be looking for volunteers. Keep this in mind as it is the only event during the year to raise money and keep the club going.

By now the Award of Merit nominations will be closed. Watch the bulletin for up coming awards, you may wish to nominate a fellow club member. Home Brew night is fast approaching, do you have your project ready?

See you at the next meeting.

Lorraine, VA3NZ
