President's Message

Winter is back upon us! Hopefully the snow has finished and you survived the extra efforts to move your car around on the side streets.

Rick VE3BK reported a healthy club financial report after many recurring expenses for operation were paid.

During the meeting we welcomed our newest club member....Peter Smith VA3MTC to our ranks. Listen for him on our club repeaters and during the HF nets.

Membership is up to 39 members as of this writing. Included in this newsletter is a list of current membership.

73 and 88

Club Speaker Schedule

The club is pleased to announce that Michael VE3TKI will will do a presentation on the QSL Bureau 16th February , 2022 at 7:00 PM. See the schedule and ZOOM invite for details.

HF portable answering the call

Guest Speaker Tracey VE3TWM

19th January 2022

ZOOM presentation 

A special thank you to Tracy VE3TWM for an excellent ZOOM presentation on January 19th 2022. His topic of HF portable operation and subsequent discussion on battery options was well received by the group that attended.

2		0	0	0	0	0
1236	X	23		=	28428	
points		multipliers			score	

The bands were not busy at times when only the diehard contesters were the only ones on. The bands are generally good, especially the lowbands, most of the time.

WE WANT TO THANK ALL THAT WORKED US, ESPECIALLY OUR FRIENDS SOUTH OF THE BORDER, SOME WHO WERE REALLY INTO OUR CANADIAN CONTEST, GOING BY THEIR SERIAL NUMBERS. LOT'S OF FUN, GREAT CONTEST, SEE YOU IN JULY.

"I have observed all competition rules as well as all regulations for Amateur Radio in my country. My report is correct and true to the best of my knowledge. "

Winter Field Day Contest:

Jan 29/30 2022 Winter field day is an annual event held on the last full weekend of January. Its purpose is to test emergency communications during the winter months - as Field Day does in June. Originally sponsored by SPAR (Society for the Preservation of Amateur Radio) it is now sponsored by the Winter Field Day association.
